

Dear Pastor,

We are very excited to announce our fourth complementary pastor tour to Israel! We sincerely hope that you will be able to join us on this special and unique experience.

We all know that hearing cannot be compared to seeing. As much as you may know or have heard about Israel, whether it is through the Bible or other sources, nothing can compare to seeing the land and experiencing the land through all of your senses.

Our goal is to connect as many people as possible in the most powerful way possible with the land of Israel and the people of Israel. In order to do that, we are reaching out to you, the leaders and guides of this generation, so that you might partner with us in achieving our mission.

### **What is covered by the complementary tour?**

We will cover the land costs (including hotels, bus, guide, entrance fees, breakfast, dinner etc.) You just need to arrange your airline ticket!

**SPECIAL OFFER THIS YEAR (NEVER BEEN DONE BEFORE!)**—The first FIVE pastors to officially register will receive \$200 towards your airfare!

### **Who is eligible?**

Space is limited, unfortunately we cannot accept everyone. The ideal candidate will fit the following description:

- Has not been to Israel in the last 5 years.
- Pastors a congregation with at least 75 people.
- Is the lead/senior pastor of the church
- Is a passionate and enthusiastic leader.

### **Other Important Points:**

**Please note:** We can only accept one Pastor per church. If more than one Pastor from the same church would like to come, we will though offer a significant discount for the second Pastor. If a church has more than 1000 congregants, we will allow a second pastor from the same church

**Spouses:** If you would like to bring your spouse, you will need to pay the highly discounted cost of \$1050 for the land costs.

**What we are offering**

An opportunity to experience Israel in a unique, exciting, inspirational way with a group of like-minded Pastors. We hope that an amazing camaraderie and friendship will develop amongst the group.

**Why are we doing this?**

The Global Israel Alliance is all about tearing down walls and building bridges between Israel/Jews and the Christian community. We see this trip as an excellent way to achieve that.

We hope that you will be so inspired by this trip that you will consider bringing your church to Israel and maintaining a relationship with us!

Wishing you God's Richest Blessings,

Rabbi Moshe Rothchild
